

ill.gates - Autopirate

Press Release:

The debut album by **ill.gates** – titled **Autopirate** will be seeing global release through Muti Music on November 19th 2008

ill.gates is a well-known producer from Toronto Canada. His previous productions as **'The Phat Conductor'** and co-productions with **Robb G** have made waves in the Electro House and Breakbeat genres, as has his work with **Bassnectar** in the growing crunky midtempo breaks genres. Past production work includes remixing the likes of **DJ Dan**, **Myagi** and **Si Begg** and has led to top selling tracks on Beatport and also a mention in **URB** as one of their **'next 100'** top artists.

His versatility is evident in the variety of genres covered on **'Autopirate'**, everything from Hip Hop, Electro House & Techno to Breakbeat, Grime and Dubstep. This debut album as 'ill.gates' pushes the envelope and creates some very fresh new perspectives.

'Autopirate' includes remixes and collaborations with **Bassnectar**, **Myagi**, **Meesha**, **Dept. of Motion**, **Stephan Vera**, **Mutt**, **Little John**, **Friction**, **Malaya**, **Clara Venice** and Hip Hop sensation **Masia One**.
