RELEASE NOTES

Geomagnetic.tv is proud to present GEOSPIRIT1: Virtual Vortex. Featuring 11 breathtaking new psytrance jounries by international psy-masters compiled by San Francisco DJ Dr. Spook.

Label Profile:

Geomagnetic.tv was established in the summer of 2001. Their first major international release is the legendary DVD project "MAGNUS" geodvd001. Based in San Francisco and focusing mostly on visual and music related projects, you can expect to see lots more cutting edge release on the way from this award winning crew! Geomagnetic.tv was started by one of the founders of the prominent San-Francisco 3D FX and Multimedia boutique known as Minds Eye Media (est.1995). www.mindseyemedia.com

Artist Profile:

DJ/VJ Doctor Spook (San Francisco,USA)
Also known as Nathan Vogel, Spook is an award winning 3D animator and music video director. He began creating psychedelic visuals in 1992, recieving critical acclaim for all of his projects. Nathan has worked with major music labels such as Arista, Geffen/Universal, Sony, Om and now with all of the most prominent Psytrance labels with this ground breaking new release. Spooks passion for electronic music drove him to start making music in 1990. He began djing at Burning man in 1998.

Dr.Spook has compiled a collection of the most innovative psy-producers as well as some blasting new surprises that have been exploding in San Francisco and soon all over the planet!!! Each track takes you to a uniquely amazing environment that will both boggle your mind and astound your senses.

Audio CD Format 11 Unreleased Psytrance Journeys by:
Altom vs Phoenix Family, Moontribe, Chromatone,
Mr. Peculiar, Scorb, CPU vs Phoenix Family, Neuomotor,
Rastaliens, Phoenix Family, Earthling vs Phoenix Family,
