RELEASE NOTES

After stunning the world with the first compilation, MAGNUS, we return with a mind blowing new concept in immersive psychedelic journeys presented as a continuous play DVD. Not only are you taken on a 3D Animated excursion through Dr. Spook's vivid imagination, you will be treated to the best of the worlds most innovative psy-producers as well as some blasting new surprises that have been exploding in San Francisco and soon all over the planet!!!

Each video takes you to a uniquely amazing environment filled with characters and creations that will both boggle your mind and astound your senses. This continuous ever changing thematic adventure is presented in a seamless mix. Using Academy Award winning software Alias MAYA this multiple International Award winning and highly recognized animator/author Nathan Vogel aka DJ/VJ Dr. Spook opens a gateway into his exotic and detailed psychedelic world.

DVD Video Format TRT: 60 Minute Seamless DJ Mix set to 3D Animation. Special Features incl. VJ clips and Artist Bios/Discographies + AC3 Audio mix in Letter Box High Resolution 24p 6.5Mbs encoding.

Artist Profile:

DJ/VJ Doctor Spook (San Francisco,USA)

Also known as Nathan Vogel, Spook is an award winning 3D animator and music video director. He began creating psychedelic visuals in 1992, receiving critical acclaim for all of his projects. Nathan has worked with major music labels such as Arista, Geffen/Universal, Sony, Om and now with all of the most prominent Psytrance labels with this ground breaking new release. Spooks passion for electronic music drove him to start making music in 1990. He began djing at Burning man in 1998.

Dr.Spook has compiled a collection of the most innovative psy-producers as well as some blasting new surprises that have been exploding in San Francisco and soon all over the planet!!! Each track takes you to a uniquely amazing environment that will both boggle your mind and astound your senses.
